

EXTERNAL QX 40 WINDOW FILM

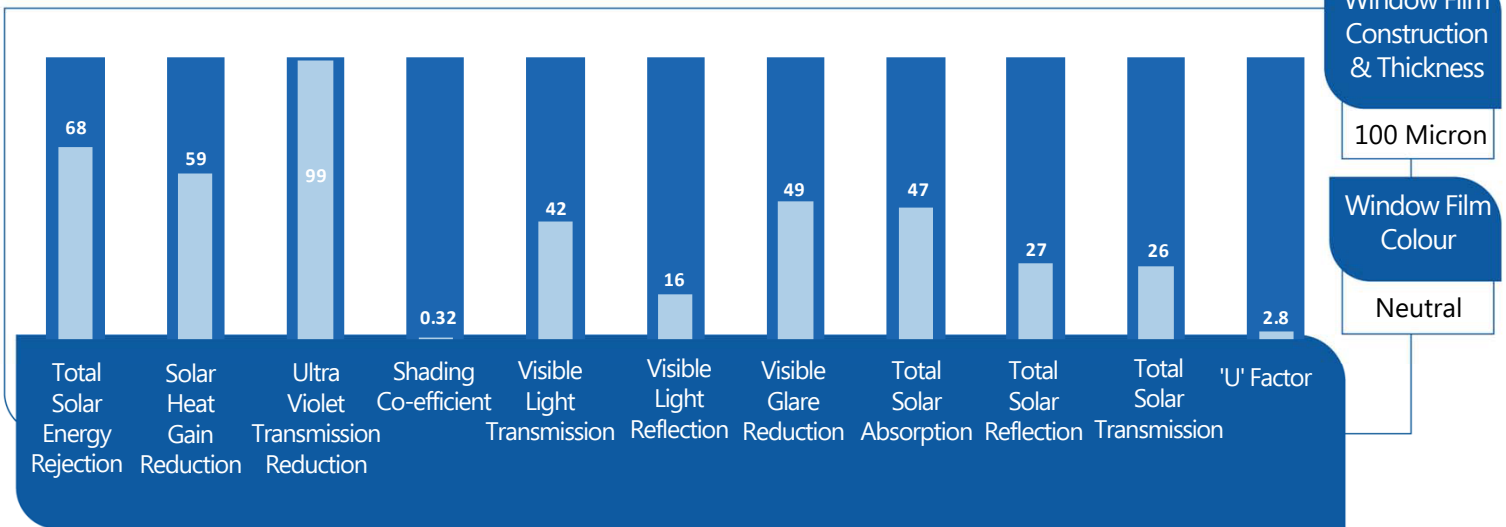

External QX 40 Window Film

Designed to upgrade existing glass to the requirements of BS6206 and Regulation 14 of the Workplace (Health, Safety & Welfare) Regulations 1992. Also combining glare & heat reduction with low reflectivity & a natural appearance, increasing thermal comfort & reducing load on air conditioning, only minimally changing the aesthetics of the glass. 5 years horizontal & 7 years vertical glazing warranty.

Benefits

- Improves Glass Safety
- Protects Against Injury
- Reduces Glare and Heat Gain
- Limits Fading of Furnishings
- Improves Working Environment
- Minimally changing aesthetics

Performance Data

Certifications & Performance

BS6206 Classification	BS6206 Class B
